REMARKS:

Jonathan,

A cover letter and plans for the proposed grading and stormwater controls for the Solid Waste Permit #498 Landfill can be downloaded using the links below. SCS also intends for these plans to be part of a Part B major modification to the facility's Solid Waste Permit. The plans are accompanied by a Notice of Intent and Closure Plan. SCS will be submitting additional documentation on the City's behalf to complete the application. Let us know if you have questions or need additional information.

Regards,
Charles
